

Supporting our Youth

Over the last few summers more and more families are turning to Michindoh Conference Center for help in providing their children a quality summer camping experience. In 2016, we provided scholarships for 285 campers totaling over \$40,000 in discounts.

Every dollar that is given for scholarships is applied directly to make it possible for children to attend camp. Our goal is to never turn a child away from camp because of finances. Thank you for your partnership in helping children attend camp this summer.
