

Spring Arbor University Camp Matching Program For Student Tuition

This is for Spring Arbor University students only. If you attend a different college, find out if your college offers such a program and contact heather@michindoh.com with the details.

Michindoh participates in the Spring Arbor University Camp Matching Program. Participating employees may have up to \$750 (maximum) withheld from summer wages each year. Michindoh sends this to SAU, and SAU matches the same amount you withheld. This combined amount is applied to tuition fees.

In order to participate in Camp Matching, the employee/student need to send an email to Jody Reynolds at SAU at jody.reynolds@arbor.edu.
