

Summer Camp 2017

Hello and thank you for registering your child for summer camp! We are looking forward to a summer full of fun and excitement, personal and spiritual growth for all our campers!

Your registration form indicates your child is not covered under a medical insurance plan. We do need to inform you Michindoh Conference Center does not provide medical or accidental insurance for campers. Although camp activities are well supervised, there is always the possibility your child may require emergency medical treatment during their stay. We always attempt to contact parents before seeking emergency medical treatment, however, the nature of the situation or your availability may make it necessary to seek treatment before you can be consulted.

A camper who does not have insurance coverage will need to have a parent or legal guardian sign below, indicating consent to our obtaining medical treatment for the child and the parent or guardian will be responsible for the expense of such treatment. Please return this signed form, along with the camper profile and health form, before June 15, 2017 If you have any questions, please feel free to contact us at 517-523-3616.

I hereby give my permission to Michindoh Conference Center to secure necessary emergency medical and surgical treatment and to provide routine, non-surgical medical care for the minor child named on this form while attending camp. I understand that Michindoh Conference Center does not provide accidental or medical insurance for this child and that as the parent and/or legal guardian signing below, I am responsible for any medical expenses associated with such treatment or care.
